

Rescue Diver Course

Jack's
Diving Locker
Kona, Hawaii

Serious Fun!

Learn the skills which will make you a more confident and competent diver. This program gives you both academic knowledge and hands-on experience in the water. We emphasize accident prevention, problem recognition, and emergency management. You will gain self-assurance by being prepared to assist other divers should a problem arise.

This program is both challenging and fun at the same time. Divers complete the class knowing they are better buddies and more aware as divers. The Rescue Diver certification is a prerequisite for the highly respected Master SCUBA Diver and Divemaster ratings!
